

Housing First Partners Conference 2018 Walking Tours in Downtown Denver

HFPC 2018 is partnering with Colorado Coalition for the Homeless (CCH) to offer a limited number of opportunities to visit [CCH's Stout Street Health Center](#) and adjacent housing.

Participants must pre-register and pay a \$15 fee to reserve a spot. 100% of the fees will be donated to Colorado Coalition for the Homeless.

CCH's **Stout Street Health Center** has been delivering health care for the homeless in downtown Denver for over 30 years. Opened in 2014, the 53,192 square-foot Health Center provides a unique model of integrated health care that fully incorporates patient-centered, trauma-informed medical and behavioral health care, substance treatment services, dental and vision care, and social services. Its staff cares for more than 13,000 homeless adults and children each year.

In addition to visiting the Health Center, tour participants will be able to see one of two nearby permanent housing sites:

- Directly above the Health Center are the **Stout Street Lofts**, which feature 59 one-bedroom and 19 two-bedroom apartment homes for individuals and families. Amenities include laundry, computer and community rooms, a common kitchen with outdoor courtyard, video surveillance, and secured electronic access with underground parking.
- In close proximity are the **Renaissance Downtown Lofts**. Developed in partnership with the City of Denver using a Social Impact Bond (SIB) funding initiative, the property includes 96 one-bedroom units, four two-bedroom units, one two-bedroom live-in manager's unit, and a community room with a full kitchen and a large private deck that provides both indoor and outdoor amenities for residents. On-site support services combine the Housing First approach with a modified Assertive Community Treatment (ACT) model of intensive case management.

Six (6) walking tours will be conducted on Monday afternoon, April 9th and another six (6) on Wednesday afternoon, April 11th. Each tour will comprise a maximum of 12 people. The tours will leave from the Hilton Hotel lobby at 1:30, 2:30 and 3:30 pm both days and will take approximately 90 minutes from start to finish. Ticket holders will gather at 15 minutes after the hour. **Tickets must be purchased in advance and each ticket will be valid only for the date, time and route indicated.** All tours will visit the **Stout Street Health Center**. During each tour, one half of the participants will visit the **Renaissance Downtown Lofts** and the other half will visit the **Stout Street Lofts**. Thus, all tours will include one housing site and the health center. All tours will start and end at the Hilton hotel lobby. The total distance walked will be less than 1 mile on city sidewalks with very little elevation change.

If you are interested in participating in one of the walking tours, please email Alice Smart at Alice.Smart@horizonmeetings.com.

Space is limited, register for your tour today!
